

Summer Camp ☺

Camper Information & Packing List

Arrival

Registration is between 5:30 PM and 6:30 PM. If your balance is paid in full before you arrive at camp, you will be able to save some time during registration. Balance must be paid in full before a camper will be allowed into their cabin.

Please do not arrive before 5:30 PM. Remember to eat dinner before you arrive at camp as only a light snack is served on Sunday evening.

Because the camp environment involves a great deal of close interaction between campers and staff, our goal is to prevent the introduction of easily transferable illness to the camp environment. Campers with any significant illness are not able to be admitted to camp until they have been free from symptoms for 24 hours.

In the case of illness with your child, please call the camp office at (814) 632-6024 before coming to camp. We will work to reschedule any campers who are unable to attend their planned week of camp due to an illness.

Also, campers will be checked for lice and will not be permitted to remain at camp if lice is found.

Departure

Please join us for a parents program at 6:00 PM on Friday night. Campers will be dismissed at 6:15 PM.

Mail

Campers loves encouraging mail! Please send mail no later than Wednesday to ensure it is received. The camp address is:

Camp Kanesatake
Camper Name, Cabin #
PO Box 11
Spruce Creek, PA 16683.

Contacting your Camper

Please do not visit unexpectedly during the week. If you have an emergency, call the camp and speak to the office at (814) 632-6024 first. If needed, you will then be able to get in touch with a director.

Homesickness

Our staff are trained to deal with homesickness. Should you have a concern about your child while they are at camp, please contact the office before you make a decision about taking them home early. Given some adjustment time and a busy and fun schedule, most children are fine after the first full day of routine.

Camper Information & Packing List

Absence from Camp

We highly discourage campers leaving camp for any reason other than emergencies. Emergencies do not include musical recitals, sports games, tournaments, and the like. A refund will not be available for events such as these or emergencies.

Medications

All medications must be given to the camp nurse upon arrival. This includes vitamins, food supplements, over-the-counter medications, and all prescription medications. Any medication labeled with non-English information have label information translated to English. **All medications (prescription and over the counter) must be brought in their original container.**

Bug Spray/Sunscreen

Please send bug spray and sunscreen along with your camper as the Camp does not provide these items.

Camper Spending Money

Our store carries a selection of camp clothing, mementos, snacks, and drinks. These items will be available for purchase throughout the week. Money can be deposited either online or at registration. Many campers spend about \$30 a week.

Roommate Requests

We will do our absolute best to put requested roommates together. However please keep in mind that because of space limitations, we may not be able to fulfill more than one roommate request.

Lost and Found

PLEASE, it is highly recommended that you label all your clothing and belongings with a permanent marker.

Please notify us right away if anything is left at camp. We will hold found items in the camp office for 10 days after the end of your camper's week at camp. Anything remaining after that time may be donated to charity.

Clothing

Please bring modest and appropriate clothes to camp—not too short, tight, or inappropriate for a camp setting. Also keep in mind to bring clothes that are not too nice as they may get dirty.

Girls: Girls are allowed to wear modest tank tops. Low necklines (front or back) are not acceptable camp attire. Swimwear should be a modest, one-piece or tankini suit.

Guys: Guys are required to wear shirts at all times. Guys are allowed to wear modest tank tops as well

Camp Kanesatake reserves the right to require anyone to change his or her outfit if, in the estimation of the staff, it does not comply with these standards.

Do not let this be an issue that affects your week at camp!
